Citi Trends Chooses SofTechnics' GeM2020 In-store Solution with Symbol Mobile Infrastructure and Zebra Printers

August 21, 2006 -- Akron, OH – Citi Trends, Inc., a value priced family apparel retailer with over 250 stores in the southeast, mid-Atlantic region, and Texas, plans to implement a bundled in-store management solution using SofTechnics' GeM2020 software with Symbol's handheld computers and Zebra mobile printers. Citi Trends is headquartered in historic downtown Savannah, Georgia. Citi Trends' buyers source the world for quality fashion items at outstanding prices to provide value to their customers. The merchandising of "Everyday Low Prices" has Citi Trends, Inc. well positioned for continual growth and profitability.

About SofTechnics, a METTLER TOLEDO Company

SofTechnics, a Mettler-Toledo Company, is the leading provider of mobile price and inventory management solutions for the retail industry. SofTechnics' proven mobile computing applications have been implemented by many of the largest retailers in North America. The industry acceptance of these applications is the result of a combination of 20 years of experience developing mobile solutions and the extensive retail backgrounds of the associates of SofTechnics. The company is headquartered in Columbus, Ohio, with development offices in Akron, Ohio and Des Moines, Iowa plus 16 sales and support offices across the United States.
